Back to Better
Full In-Person Return for All Students
Begins August 16, 2021

Back to School: Fall 2021-2022
FULL IN-PERSON RETURN FOR ALL

Los Angeles Unified will plan to offer full day in-person instructional programming to all students, 5 days a week, on all of its campuses – all while maintaining the highest standards of safety.
Early education and elementary school students will be on campus 5 days a week for a **full day** of in-person instruction. Beyond the Bell programs will provide after school programming from the end of the school day to 6:00 pm.
Middle school and high school students will be on campus 5 days a week for a full schedule of in-person instruction. Beyond the Bell programs will provide after school programming from the end of the school day to 6:00 pm.
Los Angeles Unified schools will return to a regular school day, but with new and improved supports and programming to better serve our students:

• Primary Promise: additional reading and math teachers in Elementary Schools
• Additional teachers in Secondary Schools to provide more individualized instruction
• Additional mental health services for students
• More direct services for students with learning differences and disabilities
• Increase in custodial staff to keep our schools clean and safe
• Every student with computer and internet access they need

HEALTH AND SAFETY

● Safety Protocols based on latest guidance from state and local health authorities
● Required COVID testing for students and staff
● Daily Health Screening using the Daily Pass
This online program is a voluntary independent study program available for K-12 students. Students will receive daily live online instruction for part of the day, and will complete independent work when not learning directly with a teacher.

Families can choose for their child to participate in the Online program by registering in the Parent Portal or by contacting City of Angels.
